Dear Supervisors:

**ANNEXATION TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687  
AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,  
AND FORMATION OF IMPROVEMENT ZONE 538  
PETITION NO. 146-1003 (JANETDALE STREET) AND  
PETITION NO. 75-704 (DUBESOR STREET), VALINDA AREA  
SUPERVISORIAL DISTRICT 1  
3 VOTES**

### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and file the enclosed Petition Nos. 146-1003 and 75-704 for annexation of territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and formation of Improvement Zone 538 for Petition No. 75-704.
2. Adopt the enclosed Resolution Initiating Proceedings for the Annexation of Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Formation of Improvement Zone 538.
3. Authorize Public Works to prepare and file an Engineer's Report for each Petition area.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

These recommended actions are for your Board to initiate proceedings for the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and to authorize the preparation and filing of an Engineer's Report for each Petition area.

Petition No. 146-1003 (Janetdale Street) favoring the annexation of territory and formation of Improvement Zone 536 to finance the installation of street lights on concrete poles with overhead wiring was signed by property owners representing 63 percent of the area proposed for annexation to the Lighting Districts. Petition No. 75-704 (Debesor Street) favoring the annexation of territory and formation of Improvement Zone 538 to finance the installation of street lights on concrete poles with underground wiring was signed by property owners representing 62 percent of the area proposed for annexation to the Lighting Districts. This complies with the 60 percent or more requirements in the policy adopted by your Board on March 11, 1980. Subsequent to the filing of these Petitions, revenue from the Puente Hills Landfill Trust Fund has been identified to fund the costs of installing street lights on concrete poles with overhead wiring within the Valinda area. As a result, formation of Improvement Zone 536 for Petition No. 146-1003 is no longer required, and Improvement Zone 538 will only be formed to finance the underground wiring costs for Petition No. 75-704.

The Petitions indicate the approximate assessments for the operation and maintenance of the street lights to be paid by the property owners within the territories to be annexed.

### **Implementation of Strategic Plan Goals**

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation, levy of assessment, and improvement zone formation provides the funding necessary for the installation, operation, and maintenance of new street lighting facilities within the annexed territories.

### **FISCAL IMPACT/FINANCING**

The ad valorem property taxes and assessment revenues collected from the benefitted properties within the territories to be annexed will fund the operation and maintenance costs of the street lights. The Puente Hills Landfill Trust Fund will pay the total estimated \$40,000 installation costs for installing ten 9,500-lumen high-pressure sodium vapor street lights on concrete poles in each petition area. Sufficient funds are included in the Fiscal Year 2005-06 budget for County Lighting Maintenance District 1687 to loan

\$34,000 to Improvement Zone 538 to finance the underground wiring costs for Petition No. 75-704. Property owners within Improvement Zone 538 will repay the loan with interest over a 10-year period from Fiscal Years 2006-07 to 2015-16.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

These proceedings are governed by the Landscaping and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code). Public Works will prepare an Engineer's Report that complies with Section 22565 et seq. of the California Streets and Highways Code and Article XIID, Section 4(b), of the California Constitution.

After your Board approves the Resolution Initiating Proceedings, a separate Resolution of Intention to Annex Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, will be prepared and submitted for your Board's consideration and adoption. The Engineer's Reports will also be filed at that time.

The Resolution Initiating Proceedings for the Annexation of Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, has been approved as to form by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

This project is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

## **CONCLUSION**

At such time as these recommendations may be adopted, please return one adopted copy of this letter and the signed Resolution to Public Works. Also, please forward one adopted copy of the letter and Resolution to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,

We understand if this Petition is found to contain the signatures of the **property owners** who represent 60 percent or more of the benefitted area, a ballot will be mailed to each property owner within the proposed annexation area to indicate the property owner's support or opposition to the proposed assessment. Should the above criteria be met, the estimated amount of the first assessment for each benefitted property is as follows:

A.	Installation cost for ten concrete poles	\$20,000
B.	Installation cost per property	\$ 870

Each year thereafter, an annual assessment for operation and maintenance costs, approved by the County of Los Angeles Board of Supervisors, will be added to the tax bill.

We declare that:

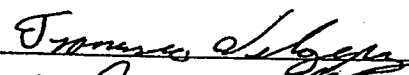

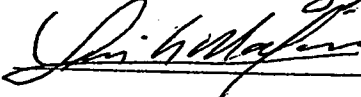

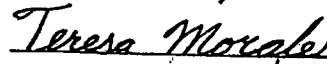

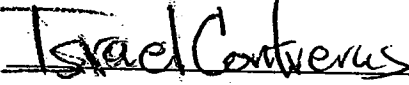

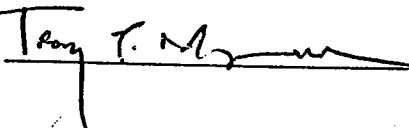

1. We are the owners of real property within that certain territory designated on the attached map and are in favor of the installation of street lights, on **new concrete poles with overhead wiring** (a photograph copy of the type of poles to be installed is attached), and for the Formation of Improvement Zone 536 for financing the installation cost of the street lights.
